Xmas Bonus Passed Out By Longren

Christmas came early for 140 workers at Longren Aircraft last week! The concern, located at 2576 West Carson, passed out almost \$10,000 in cash for the third quarter to the employees. Hampden Wentworth, vice president of the concern, reported.

He said that this amount represented 25 percent of the profits made by Longren during that period.

Wentworth said the bonus is distributed during April, July, November and January.

Since it was so close to Christmas, a festive affair was in order. A Christmas tree was set up, live turkeys strutted through the plant, and gifts — with the usual gags among employees — were piled under the evergreen tree.

Christmas carols resounded throughout the plant during the celebration. The employees received checks in the neighborhood of \$100 on the average, it is reported.

Al Sanada, shipping supervisor for the firm, who lives at 1567 W. 204th St. in Torrance, took the part of Santa Claus.
